Public Notice - Public Information Meeting - Fairfax County Parkway Extension Phase III from Hooes Road to Franconia-Springfield Parkway. Please join Federal Highway Eastern Federal Lands Division and the Virginia Department of Transportation on April 29 2010 from 6pm to 8pm at West Springfield High School 6100 Rolling Road Springfield Virginia to learn about and discuss design improvements for the final phase of the Fairfax County Parkway Extension project. Phase III will include constructing a 1.5-mile long six-lane divided limited access highway to connect two previously constructed segments of the Fairfax County Parkway. It will also complete construction of the Parkway to its Northern project termini at the existing Franconia-Springfield Parkway Interchange. Construction will involve realigning two local roads in that corridor (Hooes Road & Rolling Road) to meet the requirements of a limited access facility on Fairfax County Parkway. 4/21/10 2859710
